Subject: Freedom of Information Request: Philadelphia's Failed Surveillance System

April 22, 2013

Mayor's Office

Kathleen Lonie

Room 204 City Hall

Philadelphia, PA 19107

To Whom It May Concern:

Pursuant to Pennsylvania Right to Know Act, I hereby request the following records:

A full copy of the city of Philadelphia's 2007 contract with Unisys for a new surveillance system, the original RFP for the project and complete copies of all bids.

I also request that, if appropriate, fees be waived as I believe this request is in the public interest. The requested documents will be made available to the general public free of charge as part of the public information service at MuckRock.com, processed by a representative of the news media/press and is made in the process of news gathering and not for commercial usage.

In the event that fees cannot be waived, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,

Carlton Purvis
